Letter of commendation for Tatiana Minina

To Whom It May Concern:

I know Tatiana Minina for more than 3 years. Two of them we worked together in AXIS Database Marketing Inc. where I was her supervisor for several projects that involve database, ETL processes and complex reports development.

Tatiana Minina demonstrated exceptional professionalism. She is a goal oriented and persistent to achieve the best results. She was the key specialist in all projects. The range of task she performed under my supervision included:

- Analysis and design of OLTP database;
- Creating DML and DDL SQL scripts;
- Writing stored procedures and queries for business rules applications and ETL;
- Creating, modifying and maintaining complex reports with Crystal Reports;
- Modifying and maintaining SSIS packages.

Tatiana Minina is initiative, resourceful, creative and frequently finds innovative solutions to the problems. She easily studies and promptly acquires new skills. I highly recommend Tatiana Minina for employment. She is a team player and would make a great contribution to any organization.

Sincerely,

Dmitriy Artyukhov,

Senior Programmer Analyst,
Ministry of Transportation Ontario
